dthomas@yesvirginia.org

*Does not include airfare, lodging and meals.

Canada is the largest trading partner for both the United States and Virginia. The United States exported over \$260 billion in goods to Canada in 2008 of which \$2.69 billion was from Virginia.

Vancouver's key market sectors:

- Environmental Technologies
- Renewable Energies
- Green Building Products
- New Media & Gaming
- Creative Sectors
- Wireless
- Information & Communication Technologies
- Financial & Business Services
- Agri-Food
- Biotechnology
- Life Sciences
- Aerospace

“ We really felt lucky to have the VEDP research and schedule appointments for us, as we are a fairly small company and did not have the manpower to devote to researching and making appointments in Canada on our own, though we have had interest in expanding business there. ”

Vancouver is home to 81,000 businesses and 40 head offices of Canada's largest 500 corporations, accompanied by an array of financial, legal, scientific and technical service companies.

Vancouver will be hosting the 2010 Winter Olympics, welcoming 5,000 Olympics Games athletes and officials representing over 80 countries.

For more information or to register, contact:

Over 35 Virginia companies
have participated in 8 VEDP-
led group market visits to
Canada since 2000.
