*"This was an excellent opportunity to showcase our products. We interacted with customers from various parts of the world to gather their feedback and reactions. We sincerely appreciate VEDP's efforts to make this show successful and productive for us."*

*"Our company had a very successful trade show. We made many contacts that will facilitate our business development and growth in sales. We have been awarded a maintenance supply contract that should increase our export sales."*

*"We gained six new potential partners and were requested to bid on opportunities with these partners in the weeks following the trade show. This represents several million dollars in potential sales."*

*"The impact of this trade show was outstanding and has provided my company with the opportunity to immediately begin doing business with the mining industry in Chile. All results exceeded my expectations."*
