Each person must have a badge to enter the show.

How are airline and hotel reservations handled?

Airline Tickets: You book (and pay for) your own airline ticket via local travel agent or online air travel website. The airport code for Paris is CDG. If you do not have a travel agent, the Trade Show Leader can recommend one for you.

Hotels: VEDP is not coordinating a block of hotel rooms. Participants must make their own hotel arrangements. Each participant will be responsible for securing and covering the cost of your respective hotel room.

What are the entry requirements for France? Will I need a passport or visa?

A passport is required with six months validity remaining. U.S. citizens do not need business visas when visiting France for less than 90 days. France is party to the Schengen Agreement.

Trade Show Booth Policy

By exhibiting in the Virginia booth, each company and its representatives agree to the following:

- Space and amenities within the Virginia booth, such as meeting tables and chairs, are shared among the co-exhibiting companies. Companies and individuals that are not co-exhibitors in the booth may not use these booth amenities, as they are reserved for the co-exhibiting companies.
- Each representative is expected to be respectful of other companies' meetings, introductions, and/or networking that may take place in and around the booth. Interference with another company's meetings, introductions, and/or networking efforts is not permitted.

Thank you for your compliance with these guidelines as we represent the Commonwealth of Virginia in a courteous and professional manner.

Shipping Disclaimer

Virginia Economic Development Partnership (VEDP) is not responsible for the shipment of product samples, promotional materials, displays, posters, banners, brochures, etc., to or from a trade show. VEDP can make introductions to shipping companies upon request. VEDP recommends that these arrangements be made as early as possible so that product samples and/or promotional materials can arrive in time for your event.

I believe this may have been the best show we have participated in; the booth was very nice, and it was in an excellent location. Also, VEDP was very helpful and we always had whatever we needed at the booth.
