

TRADE SHOW

AUSA 2023

October 9–11, 2023 | Washington, D.C.

Registration Deadline | August 4, 2023

The Association of the United States Army's Annual Meeting is the largest land power exposition and professional development forum in North America. Taking place over three days, the Annual Meeting is designed to deliver the Army's message by highlighting the capabilities of organizations and presenting a wide range of industry products and services. AUSA accomplishes this task throughout the entire event by providing informative and relevant presentations on the State-of-the-Army, panel discussions and seminars on pertinent military and national security subjects, and a variety of valuable networking events available to all that attend. The event includes over 700 industry and military exhibits occupying over 330,000 net square feet of exhibit space, with over 30,000 attendees from more than 80 countries.

The AUSA 2023 trade show takes place in Washington, D.C. at the Walter E. Washington Convention Center.
