

TRADE SHOW

Analytica 2024

April 9–12, 2024 | Munich, Germany

Registration Deadline | February 2, 2024

For five decades, Analytica has been the world's leading trade fair for laboratory technology, analysis, and biotechnology. It brings together a complete range of topics for laboratories in industry and research, including bioanalysis, environment and sustainability, food analytics, lab 4.0, lab automation, laboratory diagnostics, and more.

“

This was terrific for us. The support from the entire VEDP team was outstanding. The booth was clean, attractive, functional, and represented us well. In our internal debriefing with leadership, we stressed what a great partnership this was and how we need to continue this relationship.

Trade Show, Analytica
