

TRADE SHOW

# Medica 2024

November 11–14, 2024 | Düsseldorf, Germany

Registration Deadline | August 30, 2024

MEDICA is the world's largest event for the medical sector. For more than 40 years it has been firmly established on every expert's calendar. Focal areas of MEDICA include imaging, diagnostics, medical equipment and devices, laboratory equipment, disposables and consumables, IT systems and IT solutions, medical services, and medical publishing products. Join with over 5,300 exhibitors from almost 70 nations in the exhibition halls in Düsseldorf.

“

The meeting was better than expected. We met several high-quality distributors in our target countries. The booth was highly effective. I especially enjoyed having ready access to a conference room.

Trade Show, Medica
