

TRADE SHOW

LAAD Rio 2025

April 1–4, 2025 | Rio de Janeiro, Brazil

Registration Deadline | December 27, 2024

The 15th edition of LAAD is an opportunity to meet leading defense and security authorities such as Public Security State Secretaries, General Commanders of the Military Police and Fire Fighters, Civil Police Chiefs, experts in criminal investigations, and State authorities. In 2023, the program gathered together 192 Official Delegations, totaling 482 delegates from 71 countries and held 2,129 meetings between delegations and exhibitors. Border integrity and law enforcement are priorities for the Brazilian government faced with high unemployment, massive strikes, criminality, and refugee crises.

Industry sectors covered:

- Aeronautical Engineering
- Public Security and Law Enforcement
- Arms, Tactical Equipment, and Optical Equipment
- Cyber Defense
- Military Logistics
- Special Forces and Counterterrorism
- Search and Rescue
- Access Control and Surveillance
- Forensic and Criminal Expertise
- Critical Infrastructure Security

“

The impact of this event was big as it allows us to continue supporting a huge country with new products lines we distribute. Thanks VEDP for doing an amazing job.
