

TRADE SHOW

GISEC 2025

May 6–8, 2025 | Dubai, UAE

Registration Deadline | December 27, 2024

Join 3500+ delegates for three days of insightful sessions covering cyber trends. By uniting security stakeholders from across the globe, GISEC provides a connected platform for cybersecurity companies and end-users to collaborate and protect against cyber threats. GISEC will provide over 300 hours of powerful content navigating evolving threat landscape from metaverse cybercrime, cryptojacking, 51 attack blockchain, drone exploit delivery attack to quantum threat, cloud security, applying AI internally and at the edge, across healthcare, banking & finance, utilities, oil & gas, transport, nuclear, defense & communications.

For more information, visit gisec.ae/conference-overview.

Registration

Register and pay the Trade Show fee online by visiting gisec-2025-interest.eventbrite.com.

The benefit of being an exhibitor with a stand was extremely beneficial. Interested parties came to us at our stand rather than us having to rely on chance encounters.

Trade Show, GISEC
