Farnborough 2026

July 20–24, 2026 | Farnborough, United Kingdom

Registration Deadline | March 20, 2026

The Farnborough International Airshow is an internationally recognized biennial event that takes place at Farnborough International Exhibition and Conference Centre, where the entire aviation and aerospace industry gathers to learn, network, and do business. Responsible for hosting some of the largest and most successful events in the ever-changing aviation sector, Farnborough International Airshow has established a reputation for providing an unrivalled platform for businesses of all sizes, from all tiers of industry, to showcase their latest innovations. For decades, people at Farnborough have supported and inspired a pioneering spirit, standing shoulder to shoulder with industry innovators, enabling their progress from small incremental steps to landmark discoveries. Attracting exhibitors and visitors from around the world, the Farnborough International Airshow 2026 is set to continue this tradition, bringing the leaders of aerospace and aviation together at Farnborough International Exhibition and Conference Centre.

“

This was the very first international trade show we had participated in. The VEDP booth was centrally located and had lots of traffic. We had a significant amount of exposure as a result and we have multiple leads to pursue. The event convinced my company leadership of the benefits of international business.
