

TRADE SHOW

# WHX Dubai 2026

February 9–12, 2026 | Dubai Exhibition Centre, UAE

Registration Deadline | November 28, 2025

WHX Dubai (formerly Arab Health) is the Middle East's largest healthcare trade event, connecting healthcare brands, people, and ideas in a setting like no other. WHX Dubai's reputation as the best healthcare trade show is a result of its comprehensive approach, global reach, focus on innovation, and the valuable opportunities it offers for learning, networking, and collaboration within the healthcare sector. As the healthcare industry's premier event, WHX Dubai 2026 is your chance to network with global leaders, discover ground-breaking innovations, and shape the future of healthcare. The trade show is celebrating its 50th anniversary in 2025. Its latest show welcomed 3,400+ delegates, along with 60,000+ healthcare professionals from 180+ countries, and 3,800+ exhibitors from 70+ countries. The show included 9 product sectors: medical equipment and devices, disposables and consumer goods, orthopedics and physiotherapy, imaging and diagnostics, healthcare and general services, IT systems and solutions, healthcare infrastructure and assets, wellness and prevention, and healthcare transformation. The trade show offers unparalleled access to do business, learn, and network.
