Paris Air Show 2027

June 14–20, 2027 | Paris, France

Registration Deadline | March 5, 2027

The Paris Air Show is the world's premier event dedicated to the aviation and space industry. Since its launch in 1909, the Paris Air Show has constantly grown, and it remains the largest aerospace event in the world. The Paris Air Show provides a special opportunity to meet with all the key players in the aerospace industry, seize fresh commercial opportunities, present their expertise and innovations to the world, and form technological and industrial partnerships. Exhibiting at the International Paris Air Show means very simply participating in the most extraordinary event - and the most fascinating gathering - for the industry and all its players, manufacturers, and users.

Having VEDP coordinate a Virginia booth at the Paris Air Show was incredible. It was far more than any business could do by itself with the required logistics, time, and money. This event was a springboard for future European sales and engagement. It will surely support future growth for our company.
